## RESPONSE TO RESTRICTION AND ELECTION OF SPECIES REQUIREMENT

Mail Stop AMENDMENT Commissioner for Patents PO Box 1450 Alexandria, Virginia 22313-1450

Sir:

In response to the restriction requirement in the Office Action dated June 29, 2005, applicant hereby elects, Group I, claims 1-12. In response to the election of species requirement in the Office Action, applicant further elects the species mathematical function depicted by claim 2. Applicants believe that claims 1-7 and 9-12 read on the elected species, of which claim 1 is generic. Thus, applicant respectfully requests that claims 1-7 and 9-12 be examined.

Applicant, of course, reserves the right to file a divisional application covering the subject matter of the non-elected species, and to request rejoinder upon allowance of the generic claims.

Receipt of the initial Office Action on the merits is awaited.

Respectfully submitted,
